CAREER OBJECTIVE

To begin my career in a professional environment where I can contribute to meaningful work, learn from experienced teams, and gradually take on greater responsibility while developing strong professional and technical capabilities.

PROFESSIONAL SUMMARY

Curious and self-driven learner who enjoys understanding how things work and turning ideas into practical solutions. Comfortable learning independently, exploring unfamiliar problems, and improving through hands-on work. Interested in opportunities that provide real-world exposure, collaboration, and continuous growth.

TECHNICAL SKILLS

Programming: Python, Java, C, JavaScript

Web Development: HTML, CSS, Flask, FastAPI, Tailwind CSS

Data & Backend: JSON, Prisma

Development Tools: Git, GitHub, npm

Design & Office: Photoshop, PageMaker, ImageReady, MS Office, MS Excel, PowerPoint

EXPERIENCE

Bikergram Andhra Pradesh May 2022 - Present

Founder & Community Administrator

- Manage a motorcycle-focused community connecting riders across Andhra Pradesh and Telangana.
- Coordinate communication among riders, motorcycle clubs, and community members.
- Maintain rider-support connections and ongoing relationships with biker groups.

PROJECTS

Urban Tray

- Food-delivery application developed as a personal development project.
- Worked across ordering workflows, user access, restaurant/menu concepts, and backend-oriented application structure.
- Applied Python, web development, data handling, and Git/GitHub while extending the original learning assignment.

MeeSeva Dashboard

- Service-center management system designed around customers, services, applications, queue operations, staff access, collections, and reporting.
- Worked through requirements, workflow design, authentication, roles, and data organization for a practical local-business use case.

Bikergram Website

- Planned a rider-information platform covering clubs, destinations, events, circuits, and biker resources.
- Structured research and verification methods for community information across Andhra Pradesh and Telangana.
